Home Society  
OF NEW JERSEY®

# Speaker & Coach

The pandemic transformed the workplace as we knew it, and increased the importance of empathy as a leadership competency. According to a recent Qualtrics study cited in Forbes, employees who report having empathetic leaders are more likely to be innovative and productive.

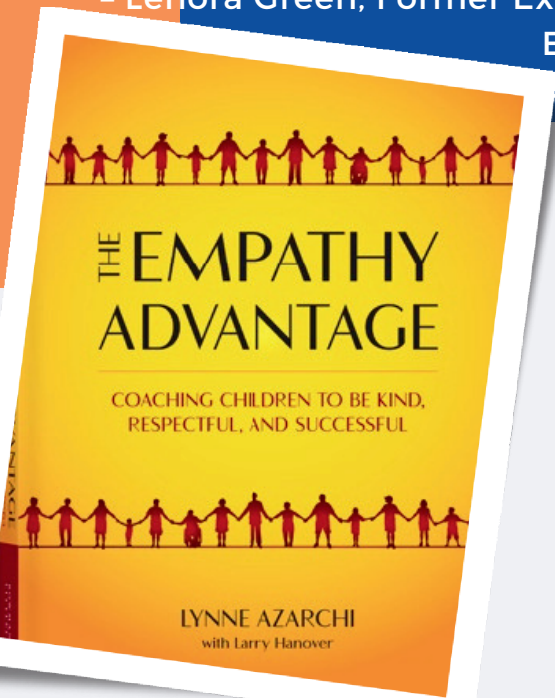

Author of  
The Empathy  
Advantage

Lynne Azarchi,  
MBA

**“The Kidsbridge presentation was awesome. Not only did our employees learn how to help their children more with bullying prevention, but in a fun and interactive format, they learned how to make our workplace more inclusive and welcome for everyone.”**

- Lenora Green, Former Executive Director, Center for Advocacy and Philanthropy at Educational Testing Service (ETS)

## Virtual and In Person Presentations Include:

- Team Building
- DEI & Anti-Bias Training
- Leading with Empathy

**\*Help foster an inclusive workplace culture.**

**\*Increase employee engagement, collaboration, retention, and wellness.**

**\*Learn how you can benefit by creating a Chief Empathy Officer**

Engaging & Interactive presentations can be customized to an organization or team's needs. Lynne Azarchi has demonstrated success in improving active listening, communication skills and productivity in both for- and non-profit organizations.
