# Professional Development

**Educating Administrators,  
Educators & Staff on Bullying  
Prevention, Anti-Bias, Empathy  
and more!**

Coaching children to  
be kind, respectful  
and successful.

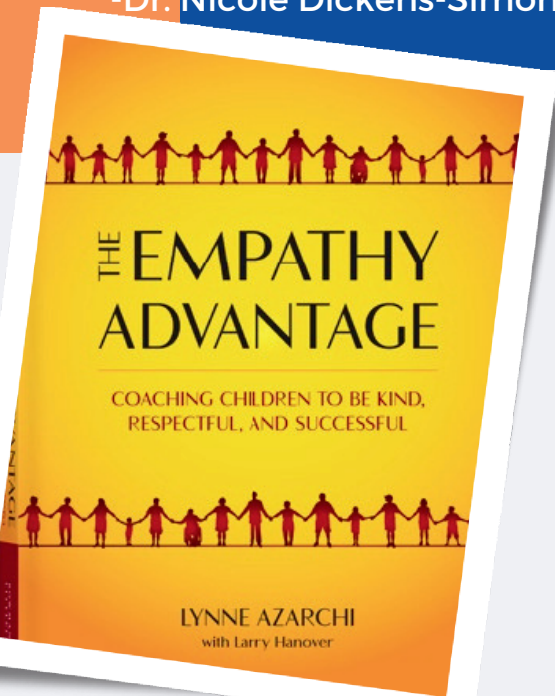

**Lynne Azarchi**

Author of  
**The Empathy Advantage**

“Lynne Azarchi's programs, presentations, and resources on mindfulness, anti-bias, anti-racism, and bullying gave life to our educational vision. These are concepts with limited formalized professional resources which are so vital to addressing the needs of the whole child. The work of Lynne Azarchi fills a chasm in public education.”

-Dr. Nicole Dickens-Simon, Principal, Greenwood Elementary School, Hamilton, NJ

## Benefits of Empathy:

- **Help build school climate**
- **Lower staff stress levels**
- **Improve leadership**
- **Strengthen parent & guardian participation**
