Founded in 1894, The Children's Home Society of New Jersey is a nonsectarian, not-for-profit private agency that promotes the welfare of infants, children, adolescents and parents throughout New Jersey and Bucks County, Pennsylvania. As a comprehensive counseling, placement, parenting education and child care agency, CHSoF NJ touches the lives of over 79,000 children and families each year.

We save children's lives and build healthy families.

Values

We value services that work, that are all evaluated, and that help children and parents to help themselves. Our services are delivered with dignity, cultural sensitivity and respect for our clients.

Vision

Every child is in a safe, caring, and permanent family. All children and parents have the skills and knowledge they need to help themselves long after our active case involvement has ended.

Major Service Areas

- ♥ Early Childhood and Parenting Education
- ♥ Maternal/Child Health, Family & Community

CHSoF NJ will not factor the Adoptive Family's race, ethnicity, national origin, religion, marital status, or sexual orientation into its decision to approve or not approve the Adoptive Family's home study.
