The Office of Licensing in the Department of Children and Families, inspects and licenses child care centers. A complaint against a child care center should be reported directly to the Office of Licensing at **1-609-777-5945**.

You may remain anonymous if you prefer. However, if you remain anonymous, you will not be able to be called with the results of an investigation, if necessary.

If the nature of the complaint indicates child abuse and neglect, you will be directed to the Office of Child Abuse Control at DCP, **1-877-NJ ABUSE (1-877-652-2873)**.

All information regarding child abuse and neglect is confidential and not open to the public for review.

State law specifies that anyone who has reason to believe that any child has been or is being subjected to any form of child abuse or neglect by any person is **REQUIRED** to report the concern to the DCP&P Office of Child Abuse Control, **1-877-NJ ABUSE (1-877-652-2873)**.

CHOOSING A CHILD CARE CENTER

Saving Children's Lives and Building Healthy Families Since 1894

The mission of The Children's Home Society of NJ is to provide children and their families a range of services that empower them to achieve their fullest potential. We are child centered, family focused, community based and outcome oriented. Our services are confidential, inclusive, nondiscriminatory, culturally sensitive and are provided professionally with integrity and compassion. Most of our services are free.

Most child care centers in New Jersey, either public or privately owned, serving six or more children, must be licensed by the Office of Licensing. (For information call 1-609-777-5945)

Finding a center that makes both you and your child happy may require a careful search. Choosing the right child care center for your child is one of the most important decisions you will make as a parent.
