

BLOOM WHERE YOU ARE PLANTED

Here is a picture of a beautiful mural. A mural is a very big painting on a wall. Notice the way the artist used the shapes from the chimney as part of his design. The artist's name is James Kelewae.

The writing on the middle of the painting says: BLOOM WHERE YOU ARE PLANTED. This means that no matter where you live, you can find good things that will help you to bloom.

BLOOM WHERE YOU ARE PLANTED

Notice that the chimney made the mural more interesting, and the mural added beauty to the building. Think about ways that you can create something beautiful with items you have around the house. Taking time to be creative and draw or color can be a simple way to have fun! Just as the artist used the building to add his creativity to,

What is something that is not paper that you can draw on and make more beautiful?

(Ask if it's ok first, of course!)
