

Community Screening

Join us for a community film screening and panel discussion in collaboration with the Children's Home Society of New Jersey in recognition of **Black Maternal Health Week 2026: Rooted in Justice and Joy.**

The film will be followed by a dynamic panel discussion moderated by Gabrielle Louis, MIHIA's Doula Program Manager.

Black Motherhood Through the Lens

A documentary by Dr. Adeiyewunmi (Ade) Osinubi

A powerful, intimate film that explores the lived experiences of Black mothers—highlighting resilience, love, and advocacy—while amplifying unheard voices, celebrating the strength of Black families, and calling attention to systemic inequities impacting maternal health and well-being.
